

The Brady Learning Center is now accepting enrollment for Spring 2008 classes. Training materials and lunch will be provided. Select your classes from the course listing below and call Leslie Alderson at (800) 849-1915 to reserve your seat today!

Spring 2008 Training Class Schedule

Basic AC Clinic (with 410A Refrigerant Training)

March 12-13, 2008 9am- 4pm

This course includes training and updates on the 410A Refrigerant. Learn the basics of air conditioning as applied to the refrigeration cycle; the theory of heat transfer; refrigeration system components; refrigeration system accessories; refrigeration system piping; the differences in the rotary; absorption; and centrifugal chillers; fans; VAV systems and controls. Cost: \$500.00 per attendee or \$475.00 per attendee for groups of four or more.

Tracer Summit Workshop

March 19-20, 2008 9am- 4pm

Learn to monitor and control building mechanical systems, respond to alarm conditions, generate reports and change schedules, system control parameters, and graphics. Topics include software operations, setup functions, reports, application programs, and graphics. Cost: \$600.00 per attendee or \$575.00 per attendee for groups of four or more.

CentraVac Owner Operator Workshop

March 26-27, 2008 9am- 4pm

This workshop breaks the chiller into sections, with complete understanding of each component. Attendees will also gain an important insight into ASHRAE standards and the environmental issues used by decision-makers in focusing on replacement or retrofit concerns. Cost: \$600.00 per attendee or \$575.00 per attendee for groups of four or more.

EPA/CFC Certification

April 17, 2008 9am- 4pm

This course is designed to prepare you for and administer the EPA/CFC Universal Certification Exam. EPA Certification is REQUIRED for anyone handling or purchasing refrigerant. This material must be studied, and preparation for the class is a must. The morning will be spent focusing on key areas covered on the test and prepare you to pass all sections. The afternoon is spent taking the test. Cost: \$200.00 per attendee or \$175.00 per attendee for groups of four or more.

All classes will be held at 1915 North Church Street, Greensboro, NC
